

# OUTSOURCING YOUR PUBLICITY NEEDS TO TOURISM REVIEW

The Tourism Review team is here to serve **marketing needs** of national and regional tourist offices, hotel chains and independent hotels, venues, airlines and incoming tour operators in all parts of the world. With right tourism marketing approach we can assist in attracting new visitors, recognizing new markets, creating brand new opportunities and ultimately generating more revenues.

Tourism Review Experienced Marketing Team provides customers with an effective online promotion tools and creative tourism marketing concepts. Our marketers enable you to compete over new markets on a truly international basis.

Tourism Review marketing services mostly fit to: Inbound tour operators and DMC/DMO (Destination Management Organizations), tourism industry international events, hotel chains etc

At Tourism Review, our focus is putting our clients first. To us, each one of our clients represents a long-term partnership we promise to strengthen rather than a short-term opportunity. We respect that our clients have diverse requirements which is why we offer exclusive services to personally tailor the needs of our users, extraordinary and innovative ideas executed by our nimble TR experts & editors, fiercest marketers, and attentive support that our users can always depend on.

"Helping our users with quality information: news & articles and taking their businesses to new levels is our passion and what we do best."

###

## **About Tourism Review Digital Network (TRDN):**

The TRDN is the most popular multilingual network for stakeholders in the international tourism industry. It offers daily travel news headlines, a weekly tourism newsletter, an e-magazine - leading tourism industry online magazine with focus on all important travel industry niches and a tourism press release wire - for enhanced PR publishing and distribution.

Tourism Review is already offered in ten popular languages to cover a wide swath of the most important developed and emerging travel markets around the world. There is no other tourism media that offers as much international capability or the vast array of tourism industry marketing tools and assistance like the Tourism Review Digital Network.
