

# My Travels to Transport Museums

Apparently when Japanese travel overseas, many make a point of visiting the art galleries and museums at their destinations. Of course, I've seen my fair share: the British Museum, the Louvre, the New York Metropolitan Museum of Art, and the Deutsches Museum in Munich, to name a few. But my favorite sort of museum would have to be transport museums. Always featuring something unique to the country in question, these museums are a true delight ...
