

SUPPLEMENT: SPA Resorts of The Czech Republic

There are a number of mineral springs on the Czech territory, which have been used for medicinal purposes since the early 15th century. The tradition of the Czech spa is an inseparable part of the European cultural heritage, and thanks to the high quality of the natural therapeutic springs it has earned an exceptional reputation and respect in the European mind. The use of the most advanced therapeutic and rehabilitative methods combined with traditional use of natural mineral water, natural gas and its climate makes the Czech Republic into a European superpower in the field of spa treatment and wellness ...
