

# Traveling to the Heart of Europe

Prague Ruzyně Airport continues to attract new air carriers, and existing carriers are opening more routes. In 2006 the airport's operator, Letiště Praha, cleared a record 11.5 million passengers, some 7.5 percent more than in 2005, and the number of take-offs and landings has increased over the same period by 4 percent to 166,346 ...
