

Choose a Cruise

Thinking about sailing into the sunset on a honeymoon or romantic-getaway cruise – but feeling a little confused because there are so many ports, cruise lines, ships, itineraries, cabins, and prices to choose from? Unless one is related to a travel agent, all first-time cruise passengers feel that way at first. And it is true that selecting a cruise is more complicated than choosing a resort. But it can also be more fun to vacation on a floating hotel than one that stays in the same place...
