

# Top Travel Destinations in South Korea

One of the best destinations to travel to today is South Korea. The country bursts into traditions, culture, modernity and festivities in full color allowing you to enjoy the most spectacular sights. The fact of the matter is that a trip to this country will have you enjoy seeing and experiencing things you have never seen or experienced before. The fact that the culture here is one of the most exotic in the world allows for this. Here are a few top destinations that you should visit while in Korea.

## 1. Jeonju

This is a spot known for great cuisines and most of all the mixed rice dish known as bibimbap. It hosts about four national parks and also holds Jeonjuk's hanok village. This is an ideal place to get a taste of the tradition and the heritage of South Korea. This is also one of the most beautiful parts of the whole country. You will get to understand why this area played a major part in making what South Korea is today.

## 2. Damyang

This spot is known for large quantities of bamboo which has also influenced the art, buildings and the way of life in the area. You will encounter one of the greenest natural habitats fused with gardens and pavilions. It is a large park with a lot to see and experience. It is a few clicks away from Gwanju where scholars take time to study on the pavilions and in the various gardens.

## 3. Suncheon

This is also known as South Korea's ecological destination. The Suncheonman's bay accentuated by reed fields and tidal flats is bound to hit the spot for you. It comes with a beautiful panoramic landscape that will definitely take anybody's breath away. It also comes with a number of attractions including Seonamsa Temple which is 1000 years old. This goes back to the ancient Joseon Dynasty. It also hosts the Songgwangsa Temple and Naganeupseong Folk Village. Suncheon drama Film Set is a 'must see.' This is a spot that has been used to film some of the most popular South Korean movies of all time.

#### **4. Jeju-do**

This is a volcanic island with semi tropical climate attracting the best scenery in the area. Jeju Jeongwol Daeboreum Fire festival takes place during the lunar moon on the 15th day. This is one of the most magnificent festivals in the world with the Koreans taking to the night celebrating the first full moon. This occasion attracts over 300, 000 tourists from all over the world.

#### **5. Daenhangno**

This is the capital of cultural entertainment for the youth. The place bursts with activity creating one of the best entertainment spots based on the Korean culture and the warmth of the people. There are spectacular performances taking place all over including the outdoors and the indoors. You will get the chance to experience great plays set up here. It doesn't matter whether you know the language or not because you will definitely enjoy the art.

#### **6. Myeong-Dong**

If you are looking for a place to shop in South Korea, Myeong-Dong is your spot. You will have access to accessories, clothes and cosmetics in a really wide collection. The area also spots the Kalguksu soup laced with noodles and other ingredients.

#### **7. Seoul**

This is the number one city in Asia. It is one of the most popular cities in the world. It is also one of the busiest. It is Korea's commercial capital with the best entertainment, cuisines, accommodation, nightlife and traditions. You will actually access most of the attractions from all over Korea in the city in snippets.

#### **8. Gyeonggi**

This is referred to as one of the most hidden jewels on South Korea. It comes with beautiful panoramic sceneries that are pleasant through the seasons. You will get to enjoy the traditions and the natural

existence that South Korea conservation offers.

## **9. Seoil Farm**

This is the spot that holds the famous 700 hanari pots. It also hosts some of the best food including gochujang and doenjang. These meals are known to be full of vitamins and minerals. All the meals and the arts in the area are made using traditional methods.

## **10. Herb Island**

This is the capital of holistic healing and aromatherapy. If you are looking for a spot to get in touch with peace and your innate being, this is the place to visit. It is the most ideal place in South Korea to enjoy natural spas, color, herbs and fragrances.
