

# The New 7 Wonders Campaign

The New7Wonders Foundation, which is the body behind the New7Wonders campaign, has the express aim of documenting, maintaining, restoring and reconstructing world heritage under the motto: "Our heritage is our future." The New7Wonders Foundation calls on all citizens of the world to support it. Through film, television, the Internet and books, people shall be alerted to the destruction of nature and the decay of our man-made heritage.
