

Indian Beauty Talks Up the Taj

It was the coming together of arguably two of the most beautiful creations in the world – the Taj Mahal and Indian actress Aishwarya Rai – as part of a campaign to have the famous monument recognized as one of the new seven wonders of the world. As things stood, the Taj was lagging behind, until Aishwarya, whom many – especially Indians – consider the No 1 beauty in the world, intervened. Now the Taj is making its way up the list.
