

Now, Dubai as Spa Destination

To ensure complete occupancy in hotels this summer, Dubai will be projecting itself as the ultimate spa destination during the Dubai Summer Surprises (DSS) from June 21 to August 31. Dubai currently has 400 hotels with 40,862 rooms. In a recent list of spas compiled by Leading Spas of the World, the first global evaluation and certification programme for the spa industry, three out of four luxury spas in the Middle East are located in Dubai.
