

The Rise of Croatia for Sailing Holidays

In the 1980s, Croatia – then part of Yugoslavia – built up a sizeable yacht charter industry. It was never then on the scale to rival long time favourite Greece, but it was large enough to get itself noticed as an attractive coming destination. Then came the various Balkan wars – one of them involving Croatia itself – and the disintegration of old Yugoslavia. Croatia is now the ex-Yugoslav republic with almost all the coast line!
