

NATURAL ALTERNATIVE CANCER CLINIC IN SPAIN

Have you or a loved one been diagnosed with cancer? Are you looking for a complete program which combines both holistic and natural treatments? If the answer is yes, then the Budwig Center Cancer Clinic in beautiful Malaga, Southern Spain, has everything you need.

Ideal for anybody seeking treatment, the clinic's staff speaks English, Spanish, French, Russian and Ukrainian, and is proud to have treated various types of cancer in people from all five continents.

Because of this, people travel from far and wide to benefit from the treatments available at the Budwig Center, offering expertise which is not available in other countries.

The diverse and professional team ensures everybody feels welcome, and that they have a seamless experience at the Budwig Center. From integrative doctors, naturopaths, oncologists, nutritionists, psychotherapists, other therapists, each is a specialist within their respective field, guaranteeing top quality advice, support and treatment.

When living with a chronic illness, there are countless stresses, so the Budwig Center makes sure that all you need to worry about is getting your plane ticket to the Malaga International airport, which is only 20 minutes from the cancer clinic, and they take care of the rest.

Just 15 minutes from the picturesque seafront, the Budwig Center's '8 Pillars of Healing' approach has proven successful over the last 20+ years. These 8 pillars use a personalized holistic approach that identifies and treats the true cause of the illness, addressing pathogens and balancing PH, detoxifying to renew the organs and system, boosting and reinforcing the immune system, disabling dangerous cancer stem cells and addressing emotional factors.

This combination of treatments enables the body to function at its best while helping the emotional wellbeing of the individual being treated. The Budwig Center is able to carry out all of these holistic and natural treatments, meaning you don't have to travel long distances or deal with multiple centers and professionals. All therapies and programs are specifically tailored to your own requirements, ensuring you receive the most benefits possible, with a full 'Budwig Health Report' being submitted alongside medical records, so the best course of treatment can be designed for you.

Located only 2 to 5 minutes from the clinic each fully equipped apartments is also near supermarkets, the beach and countless tourism destinations, meaning you can have a cultural experience while enjoying picturesque scenery every day.

Lodging for the patient and accompanying family or friend is provided alongside complete and integrative treatments, as well as all the guidance you need throughout. Many patients report an increase in their strength, improved appetite, better sleep, and less pain. The Budwig Center's caring and informative approach ensures that you will have everything you need, being confident in your progress by the time you go home.

The Budwig Center aims to make cancer treatments as flexible, affordable and accessible as possible. To be able to help as many people as they can, they also offer programs which can even take place in the comfort and privacy of your own home. This is ideal for those who are unable to travel to the clinic. There are many variations of packages, with two- and three-week packages proving the most effective. Another option is the complete Health Recovery Program, helping those

who would like to regain their body balance while overcoming chronic illness.

Whether you are looking for these therapies as an alternative to traditional treatment, or to complement the treatment you are already going through, the Budwig Center can help you through every stage.

For more than 20 years, the Budwig Center has been putting the methods of Dr. Johanna Budwig and the Budwig diet into practice, treating cancer and other illnesses naturally. The results have been incredible.
