

# Back to the Middle Ages

The Prague tavern called “U Sedmi Svabu” (At the Seven Cockroaches) is hereby opening its hospitality towards you. Sit down at the table and let us refresh you with beer, wine and mead as well as feed you with dishes that bid abundance of taste and smell. Let the landlord fill your mugs over and over again and become charmed by the music and lovely maids – we are in the year 1493!

Date: 2007-10-29
