

# Barriers Faced by Women in Tourism Career

Women and tourism -- the thought has been receiving sincere consideration from United Nations World Tourism Organization (UNWTO)] for years. Women occupied special attention of world tourism day last year. 'Tourism opens doors for women' was the theme for the United Nations World Tourism Day observed on 27 September 2007, the anniversary of the adoption of the original UNWTO statutes. Following on the 'Tourism Enriches' theme of 2006, last year's campaign highlighted the opportunities that the sector offers for women...
