

Gulbene Keeps Developing

The Town of Gulbene is situated in North East part of Latvia, 186 km away from the capital Riga and about 50 km far from the border of the state. That is why the town is one of the furthest in the North-East located towns in the republic. Gulbene is one of the Vidzeme Planning Region towns and at the same time the only town in the district that also is an administrative centre. After the implementation of regional reform in 2009 the town of Gulbene will become an administrative centre of the apanage...
