

Journey to the World of Northern Lights

In the language of its indigenous inhabitants, the Nenets, "Yamal" means "Edge of the World". When you are in here, in its open places you feel yourself on the edge, you feel as your feet are on the Earth, the head in the open space. Yamal is a Russian northern pearl wonderfully combining outstanding natural beauty and hospitality habits of centuries. Anyone who visited Yamal dreams of coming back to feel the North attraction, earth and water magic, tundra and mountain call again and again...
