

# LANZAROTE ISLAND - TOP SPOT FOR YACHTING ENTHUSIASTS

It is time to start planning for summer holiday. You might even want to take a yacht. A Charter yacht can be an excellent way of exploring a holiday destination. How about a holiday to Puerto del Carmen. Lanzarote Island is a family favorite holiday destination. Many people who have come to this island in the past will come back; they are coming back because they love the unique of the island. Lanzarote is top spot for yachting enthusiasts. While some people might stay in the same resort as they the previous time most people like to go too different resorts in order too fully experience everything that the island can offer.

You can also experience the island by taking a yacht. A yacht charter can be an excellent way of exploring a holiday destination. Getting back to the resorts for a second, one of the more popular resorts is that of Puerto Del Carmen this resort area started from a very simple beginning, that of a fishing village, No it's not just in the movies, but today it is now a small but attractive town. Where many of your fellows minded tourists will go. If you are a type of person who likes to watch the all too much holiday programmers then you will for sure be familiar with the old position of location. For this area if you are going to score it on a score card Puerto Del Carmen scores very high.

You will find the resort on the coastline. It is perfectly situated and it is sheltered by the range of volcanoes that stretch from the back of the resort.

These volcanic ranges offer the perfect barrier to the winds that are rom the Atlantic, which blows across the entire Island and this wind breaker , allows us to make the claim that the weather on this part of the island is better than anywhere else on the island. This is amazing news for those who like to plan their trip ahead of time, and if you want to spend much of it at one of the islands wonderful beaches.

Travellers who are in love with the beaches will be very glad to know that Puerto Del Carmen has many superior beaches, along its over six kilometer seafront so if you are a person who have a great fancy, at going to different beach locations, I doubt you will run out of locations where you can set up your towel and get a great sun bath. The walkways also make a most remarkable area to go for a long romantic walk.

If you are a swimmer, let just say the water condition is ideal, and for those with children they will have tons of fun seeing all the fish near the shore line as well as snoring. You can also take a very affordable boat trip including Taking a yacht charter which can be an excellent way of exploring the holiday destination.

So, perhaps holiday in Puerto Del Carmen could be a nice option to be considered, especialy for Yachting Enthusiasts.
