

# GET YOUR MESSAGE TROUGH: 10 LANGUAGE EDITIONS OF THE TOURISM NEWS

International tourism marketing is getting a boost from the Tourism Review Digital Network (TRDN), the top multilingual news channel for travel and tourism news. The Tourism Review Media prides itself on the latest addition to their lineup: the Chinese language version of the tourism industry news.

Everyone involved in international tourism recognizes the importance of marketing to emerging Asian markets especially rapid growth of the **Chinese travel market**. China has about 600 million people internet users. It is easy to see why [Chinese language travel news](#) will be the most well received in all of Asia. The Chinese Edition of the TRDN is going to be a shortcut for tourism industry stakeholders to reach both the Chinese travelers who want to travel abroad and travel businesses in China.

Tourism Review Digital Network with its new development will help marketers and travel promoters reach more tourism industry professional in many different nations in local languages. The different language editions can expand the effectiveness of tourism marketing since the Tourism Review news are distributed to many travel markets on a global scale. Ten languages are currently supported by Tourism Review: English, Italian, French, Spanish, German, Russian, Chinese, Polish, Czech and Slovak and Arabic.

Travel marketers currently can find even more [tourism marketing](#) tools, such as advertorial material posting, press release publishing and distribution, appealing banners ad, video promotional tools and social media viral promotion as well. The Tourism Review also offers an enhanced multilingual listing in the Global Tourism Industry Directories with capability to post logos, descriptive introductions and hyperlinks as well. It is important to emphasize that all promo tools are offered in 10 native languages and therefore help advertisers easily penetrate brand new travel markets as never before.

Tourism Review strives to increase the range of influence of the international tourism markets by implementing these new language editions. They open up more resources and possibilities for marketing and promotion. You can find multilingual channels full of up to date news about the travel industry, weekly newsletters and an entire e-magazine covering different tourism industry aspects around the world. The TRDN strives to become your top resource for global tourism promotion and advertising.

Visit any one of the Tourism Review Digital Network's eight sites for more information and resources about international tourism news. [www.Tourism-Review.com](http://www.Tourism-Review.com) offers sections for people who speak the following languages: English, Italian, French, Spanish, German, Russian, Chinese, Polish, Czech and Slovak and Arabic.

###

## **About Tourism Review Digital Network (TRDN):**

The TRDN is the most popular multilingual network for stakeholders in the international tourism industry. It offers daily travel news headlines, a weekly tourism newsletter, an e-magazine - leading tourism industry online magazine with focus on all important travel industry niches and a tourism press release wire - for enhanced PR publishing and distribution.

Tourism Review is already offered in 10 popular languages to cover a wide swath of the most important developed and emerging travel markets around the world. There is no other tourism media that offers as much international capability or the vast array of tourism industry marketing tools and assistance like the Tourism Review Digital Network.
