

# My Planet Travel Awards, Moscow, September 2011

Voted exclusively by the Russian public and Russian travel industry professionals, the My Planet Travel Awards celebrate the most popular destinations, resorts and services in the eyes of Russian tourists.

The My Planet Travel Awards are a unique partnership with Russia's main state television group, All-Russian State Television and Radio Broadcasting Company (VGTRK), represented primarily by Moya Planeta TV, Russia's leading travel and leisure network.

Following a huge nationwide awareness campaign, thanks to the coverage of the event's TV partners, and a public online vote, the awards will culminate with a gala dinner at which the winners will be announced in Moscow in September 2011.
