

# UNAVOIDABLE LOCATIONS TO VISIT IN NORMANDY

Millions of people plan trips to France every year. Everyone has their reasons for choosing France as their destination. Some want to try a distinguished culture, while others dream of taking memorable pictures in front of the Eiffel tower.

Although you may think that is all one can do in France that is just the tip of the iceberg. There is so much more a place like Normandy has to offer to the tourists of France. What you find there can be an unforgettable experience.

Normandy is an ideal place for people who want to dive into a deeper cultural side of France beyond the city lights. Here, you can find a lot of activities, opportunities, and tourist sites that can make your trip memorable like never before.

If you are unsure about your plans in Normandy, here are a few tips that can help.

## Visit Landing Beaches

If you are fascinated by history, especially World War II, there is nothing better for you than trips to Normandy. Many tour plans and sites revolve around the historic events of June 6, 1944, which are intimate tourist experiences.

The D-Day beaches extend over 70km and have many cemeteries, memorials, and museums to commemorate the events. Here, more than 3000 soldiers lost their lives.

You can take this tour on foot, by bicycle, or in a minivan. If you take an organized tour, the guides will likely be by your side to guide you about every important milestone. However, it's always a better idea to buy a tour book.

## Spectate Mont Saint-Michel

Mont Saint-Michel is the ideal location to explore the beauty of 18th Century marvel. It is set on a shared bay between Normandy and Brittany. If you look forward to some breathtaking scenes in Paris, search no further.

Although the story of Mont Saint-Michel becoming a Christian pilgrimage dates back to the 8th century, you cannot look past the beauty of this structure even to date. However, you need a lot of dedication and willingness to go on this expedition.

Since Mont Saint-Michel has been silting due to human activity, you may have to park your car a few miles away from the destination. You can take a shuttle bus service to get closer to Mont Saint-Michel and absorb the magnificence of the structure.

## Explore Nature at Etretat

If you get overwhelmed by the structures and history of Normandy, do not worry. You have yet to discover the beautiful cliffs of Etretat. It may be one of the most picturesque spots to visit in Normandy. That is not all that Normandy has to offer.

With the famous chalky arch, erosions have created patterns that may never be found again. Going for a swim may be enticing, but make sure you choose the right weather to visit Etretat. This way, you will not have to be surprised by the temperature.

In addition, you can also visit the nearby souvenir shops and food stalls to [make the best of your trip](#) to Normandy.
