

THE BEST AMUSEMENT PARKS IN GERMANY REVEALED

Wild looping, chain carousels at dizzying heights, and breath-taking themed rides: the 2023 amusement park season has begun! But which amusement parks in Germany are worth their money?

Last year alone, over 30 million people visited amusement parks in Germany at least once.

But which amusement park in Germany is the best to visit this year, where is the fun factor for the whole family the greatest, and which park offers the best value for money?

The Big Amusement Park Checks 2023

The travel experts from Travelcircus have taken a closer look at the most popular amusement parks in Germany for the sixth time.

The experts contacted 57 amusement parks in the country to obtain first-hand information for this evaluation. In addition to the amusement parks that reported back by the deadline, the data for the top 25 amusement parks last year were researched thoroughly.

Overall, 45 amusement parks were researched, evaluated, and compared against 1,356 attractions and 1,818 additional data to determine which amusement parks in Germany are the best this year.

The following data were considered for the evaluation:

- Google and TripAdvisor reviews
- Average and maximum search volume on Google over the period January 2022 to February 2023
- Entrance fees (both on-site and online prices)
- Number of rides (categorized by minimum age and type)
- Instagram posts and Instagram and Facebook followers
