

POPULAR CINEMA TOURISM DESTINATIONS

Cinema tourism is a form of cultural travel that includes visiting destinations that have been the setting of famous movies, television series or film productions. It is an immersive experience that allows visitors to discover the locations of their favorite films and immerse themselves in the cinematic universe that has marked them.

Cinema tourism has become a popular trend in recent years, with more and more travelers looking for a unique and memorable vacation experience. Such destinations offer a variety of activities ranging from tours of film locations to special events organized around famous movies.

Popular Destinations to Relive Favorite Movies and TV Shows

New York, USA: The city that never sleeps has been the setting of many movies such as "Taxi Driver" and "The Wolf of Wall Street". Be sure to visit the Brooklyn Bridge and Central Park.
