

# DISCOVER THE BEST SKI RESORTS IN THE U.S.

Skiing is a favorite activity that is increasingly popular across the globe. United States of America is home to one of the best ski resorts offering ski runs for all kinds of skiers.

Vacationing at a ski resort is actually one of the best ways you can actually spend some quality time with family and friends. Snow guarantees you fun regardless of your age and that is why this sport has been growing in popularity across the globe. Even if you do not really love skiing, most of these skiing resorts do have a couple of recreational activities which you can also engage in.

America is home to some of the best ski resorts where you can pass your time. You definitely would enjoy your stay here if you love snow and the good times no matter if you are low on budget or seek some luxury.

**Snowmass Resort** is located in Aspen, Colorado. This is one of the best places to spend your luxury ski holidays. The winter and summer seasons are especially the peak seasons for business at this luxury resort. If you enjoy shopping or just spending time at the lodges, this is one of the best places you can be guaranteed nothing short of the best quality service.

There are about 3000 acres of land dedicated to skiing and snowboarding. This part also comes with a superpipe and a rail yard. You also get to enjoy free guided nature tours for both snowboard and skiing activities. You can also take advantage of the natural wonders offered by this facility through the use of the snowshoeing tours.

**The Park City resort** is another awesome place to come for ski holidays. This resort is located at the heart of the Utah region. It offers snowboard and ski lessons for groups, kids and even individuals. The NASTAR racecourse is also found here. If you enjoy tubing parks, snowmobiling, sleigh rides, air ballooning, dogsled rides, fly fishing and snowshoeing, you will get the best at Park City. Take some time to enjoy the alpine coaster ride so that you can have a feel of the majestic scenery that defines this resort.

Another famous luxury resort in the US is the **Breckenridge Ski Resort** in Colorado. It has got two half pipes and terrain parks that offer an awesome recreational facility for expert and amateur snowboarders and skiers. If at all you need to learn how to ski, this resort offers lessons to people like you.

Other activities that are common here are dog sledding, sleigh rides, skating and even mine tours. Luxury lodging, great shopping and excellent dining are some of the elements which clearly define your best experience here. There are also a couple of pleasing salons and spas just in case you need some pampering effect.
